James ,
Sorrty, I thought I'd sent you an e-mail that this report was ok and they had addressed all our comments (but I can't find the e-mail now). The proposed new investigation efforts were to be described in a forthcoming workplan; the report was the document that was addressed to our old Howard address(?) and never got to us, and we got a copy of it (actually inserts) at the last BCT in WCK.
Bill
